Hello,

Thank you for considering us to capture your baby's first memories.

Every newborn session is created with patience, love, and safety to ensure a calm and comfortable experience for both baby and parents.

From tiny fingers to peaceful sleepy poses, these early days pass quickly — but photographs keep them forever.

Newborn Session Details

- Newborn sessions are available up to 30 days old
- Ideal shoot time: 7–14 days after birth (best for sleepy poses)
- Soft wraps, props & outfits included
- Studio sessions available in Edmonton

MINI PACKAGE — \$250

Duration: 1–2 Hours

Included:

- 4 Baby Photos with 2 Beautiful Setups
- 4 Lovely Family Pictures

Perfect for parents wanting a cozy and simple newborn session.

REGULAR PACKAGE — \$380

Duration: 2–3 Hours

Included:

- 8 Edited Baby Photos with 3 Adorable Setups
- 1 Special Magical Baby Edit
- 6 Beautiful Family Portraits
- Free Digital Album

Perfect for capturing your baby's early moments with timeless family memories.
